

# Unemployment Worksheet

What marketable skills do I have?

What marketable degrees or certifications do I have?

What jobs have I had in the past? What have I enjoyed about them? Not enjoyed about them?

What do I want to be doing 5 years from now?

What can I do now to help reach that goal? Do I need to go to school, take continuing education, get a certification? Do I need to put together a business plan for a new business?
